MORNING TIME

This month let your child wake up to, "Good morning! Jesus loves (name of child)!" Each day, think of one person you can tell that Jesus loves them too. After all, Jesus loves everyone, and He wants everyone to know! And it's totally cool to tell the same person more than once. We can never hear too many times that Jesus loves us!

PLAY TIME

Make some homemade valentines for your friends and family. Talk about how Jesus loves everyone, so that means we should love everyone too! Giving valentines is a sweet way to say, "I love you!"

CAR TIME

Ask the question, "Does Jesus love that person?" as you drive along. When you spot a person in the car next to you or crossing the street or even as you enter the grocery store, ask your child, "Does Jesus love that person?" The answer, of course, is YES! Jesus loves everyone!

This month we celebrate love. We shower one another with cards and hearts and candy. We may hear "I love you" more this month than in all the others of the year combined. Don't miss the One who truly loves you in the midst of the heart confetti floating around. Do you know who really, truly loves you?

He loves you in the morning when your hair is sticking out in seventeen directions. He loves you at night when you have no patience left and that not nice voice is beginning to emerge. He loves you when you make the best choice. He loves you when you make the worst choice. He loves you, always.

Jesus. Loves. You.

Spend some time wrapped in His love this month as you sit with God's word. Read about how much He loves you and know that His love is never ending and never failing. Jesus loves you. Jesus loves everyone.

BATH TIME

Add some toy friends to bath time this week. As your child counts, washes, and plays with the toy friends, talk about how God sent Jesus to be our real friend. Jesus wants to be our friend forever and nothing will ever make Him stop loving us.

CUDDLE TIME

Cuddle up with your child and pray: "Dear God, thank You for sending Jesus to tell us that You love everyone. It's amazing to think that You love every person in the whole wide world, no matter what. Help us to tell people that You love everyone the way Jesus did. Everyone needs to know that You love them! We love You, God. In Jesus' name, amen."

The community at TheParentCue.org was created to help parents do family better. With blog discussions, podcasts, advice, and inspiration, Parent Cue prompts us to intentionally connect with our families regularly. Since none of us need more to do in our day, Parent Cue helps us capture the time we're already spending together.

There's an app for that:

Parent Cue App – centered around a monthly topic, this app sends weekly CUES that remind us to connect with our kids whether at home or on the go. You can even watch Bible story videos during drive time using the app.
